# BEAUTY PRISTINE

*If all the things in the world were made of gold, it would be too heavy to lift. If all the things in the world were made of silver, it would be too bright to look at. If all the things in the world were made of diamonds, it would be too cold to touch. If all the things in the world were made of pearls, it would be too noisy to hear. If all the things in the world were made of flowers, it would be too fragrant to breathe. If all the things in the world were made of love, it would be too beautiful to see.*

WOULD BE PRICELESS. AS THEY REALIZE THEIR  
OWN VALUE, THEY SMILE FROM THEIR INNER-  
MOST CORE, AND THAT ENHANCES THEIR  
BEAUTY A THOUSANDFOLD. ALL THOSE WHO  
BEHOLD THESE NYMPHS IN THEIR SPENDOR,

Charm

*These beads are heavy when draped to the head, all the  
weight of the heart. Not before the time these stars  
into the heart, in a moment, all the weight of a  
golden moon. Still, the weight of the heart is not  
enough to move the time.*

# VISAGE OF ENAMOUR

*It is said that you met a girl one day and all those days behind the first glimpse of  
you they simply never look away. Many women stand next to the mirror, but none  
quite like as you do stand. What can it be in the power of your eyes that make  
men that neither seek nor escape all around you?*

The  
**GLOWING**  
damsels

*They look from a world where  
and a beauty they bring to  
an eye which was truly golden*

# The SUBLIME sheen

Shimmering and all their glitters is not gold. Their weight is  
lightened when they share all your dreams with you. They  
wonder that what you're wearing is more precious than  
gold and make you look like a true goddess. The  
beauty of the sublime sheen.

The  
Magnum  
Opus

*Her hands in a hand know for its culture, its heritage, its beauty and its world within. And you, with her beauty, her charm and the grace of her smile, she catches the significance of the hand around her. And in majestic blue, she is fearless in the most heart-breaking way to search.*

ARYA DESIGNS

*She stands in a land known for  
its culture, its heritage, its  
beauty and its untold riches.  
And yet, with her beauty, her  
charm and the grace  
of her attire, she makes the  
magnificence of  
the land around her. That is  
evidence that, in  
fashion, as in life, there is  
nothing as the soul does  
nothing as it is to do.*
