

A woman with long, wavy brown hair is the central figure. She is wearing a vibrant red, short-sleeved dress with a subtle texture and a small decorative brooch at the neckline. She is also wearing a matching red skirt. Her accessories include large, ornate gold earrings and a wide, textured gold bracelet on her right wrist. She is seated, looking over her shoulder with one hand resting near her hair and the other on her knee. The background is a soft-focus indoor setting with a white shelf and patterned curtains.

fashion is not something that exists in dresses only, fashion is in sky, in the street; fashion has to do with ideas, the way we live, what is happening

*she wears than a color fashion and style always depend on good color and fantastic combination of shades but as per our opinion every color says your mood and reflects your personality.*

the color, texture

look extremely  
unusual but  
remember that  
what looks  
irresistible  
In it, an enigma of  
colors, pattern

the perfect  
expression  
of the mysticism  
of this new
