FOREVER FASHION!

Timelessly, fashion evolves.
From Mon and tweed to the
style icons of the 1950s, the dramatic,
tailored gown of Alexander
McQueen was a wardrobe
statement. After all, the line
between fashion and the
art world is blurred.

But, George McQueen's
vision of the new kind of fashion
wasn't just about the clothes.
It was about the women who
wore them. The women who
showed the world the beauty
that reflects their unique aesthetic.
