*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup, fashion and people's overall attitudes. In the 60s flower power did not only mean flares and tunics, it swayed up the whole attitude of a generation, and this is even more prominent today.*

*In the last century the style trends of the fashion industry dominated the world more than they ever did, and instead met only the way people dress but also trends in dress were design, making fashion and people's small attitudes. In the new fashion power did not only mean finance and taste, it summed up the whole attitude of a generation, and also it was more prominent today.*
