

A woman with dark hair and bangs stands in the center of a large, ornate archway made of light-colored stone. She is wearing a long, flowing dress with a pink and purple geometric pattern and a floral border at the hem. She is holding the edges of the dress out to her sides. The archway is decorated with intricate carvings, including sunburst motifs in the upper corners and a smaller, more detailed archway behind her. The floor is a black and white checkered tile. A black metal railing is visible on the right side of the frame.
