CREATION

D.no. - 2006

"While the world becomes a global village, with centers making growing ethnic style movements in the fashion industry, preserving traditional Indian textile heritage, we are proud to be a part of the world's leading fashion designers, who are working to preserve and promote the rich cultural and geographical diversity of India."

D.no. - 2001

mahamani™

 CREATION

With the world's increasing global village, with numerous trends
 growing across with technology in the future industry growing
 steadily and with an increasing number of people looking to the
 past, the future world is
 becoming more of a mix and match. That's why we're looking only
 at the world and geographical location.
