In the sea of the mundane,
you stand alone, a paragon
of life in an otherwise ev-
eryday world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, ever trying to chip
at your beauty.. but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

Many years pass until he remembers you, in your soft crafted out of swirl and happiness. And their reflections seem him to stop, to ponder to reflect and ultimately to rejoice. Your art is magic, it is perfection, it opens the floodgates of memories waiting to swell, live in absolute glow. And at the same time he dreams, because the desire to see you is endless and boundless.
