GLAMORIFICATION

Fashion mostly refers to the style of clothing worn at a particular time. Clothing at the most basic is for keeping warm, but it serves many other functions. It needs to fit the occasion and function of society. Clothing needs to be accepted as more or less "fashioned". It needs, for instance, to present decency.

GLAMOURIFICATION

Fashion mostly refers to the style of clothing worn at a particular time. Clothing at its most basic is to keep us warm, but it serves many other functions. It needs to fit the culture and norms of society. Clothing needs to be accepted as more or less 'normal'. It needs, for instance, to promote identity.
