SIMPLY BEAUTIFUL

Clothes as text, clothes as narration, clothes as a story. Clothes as the story of our lives.
And if you were to gather all the clothes you have ever owned in all your life,
each baby shoe and winter coat and wedding dress, you would have your autobiography

urban femininity

Style is not something applied.
It is something that permeates.
It is of the nature of that in which it is found,
whether the poem, the manner of a god,
the bearing of a man. It is not a dress.

A PICTURE OF POISE

Consider the fact that maybe...just maybe...beauty and worth aren't found in a makeup bottle, or a salon-fresh hairstyle, or a fabulous outfit. Maybe our sparkle comes from somewhere deeper inside, somewhere so pure and authentic and REAL, it doesn't need gloss or polish or glitter to shine

PERFECT SIMPLICITY

You were created, fashioned and designed in a special form to leave in the world something that did not exist before you were born!

FASHION VICTIM

What you wear is
how you present yourself
to the world,
especially today,
when human contacts
are so quick.

ATTIRE OF DESIRE

The secret to modeling is not being perfect. What one needs is a face that people can identify in a second.
You have to be given what's needed by nature, and what's needed is to bring something new

UNIVERSAL GRACE

A beautiful dress may look beautiful on a hanger, but that means nothing.
It must be seen on the shoulders, with the movement of the arms, the legs, and the waist

SIMPLY BEAUTIFUL

Clothes as text, clothes as narration, clothes as a story. Clothes as the story of our lives.
And if you were to gather all the clothes you have ever owned in all your life,
each baby shoe and winter coat and wedding dress, you would have your autobiography

PRIDE OF THE WORLD

31009

What you wear is
how you present yourself
to the world,
especially today,
when human contacts
are so quick.

FASHION VICTIM

SIMPLY BEAUTIFUL

Fashion as the most powerful art there is. It's moment, design, and architecture all in one. It shows the world who we are and who we'd like to be.

YOUR LIFE

Clothes as text, clothes as narration, clothes as a story.
Clothes as the story of our lives. And if you were to gather all the clothes you have ever owned in all your life, each baby shoe and winter coat and wedding dress, you would have your autobiography.
