The beauty of a woman is not in a face, but in a smile. The beauty of a woman is not in her eyes, but in the way they smile. The beauty of a woman is not in her hair, but in the way it flows. The beauty of a woman is not in her clothes, but in the way she wears them. The beauty of a woman is not in her age, but in the way she lives. The beauty of a woman is not in her body, but in her soul. It is the way she looks at the world, the way she feels about it, the way she loves it. The beauty of a woman is not in her past, but in her future. The beauty of a woman is not in her present, but in her heart. The beauty of a woman is not in her mind, but in her spirit. The beauty of a woman is not in her body, but in her soul. It is the way she looks at the world, the way she feels about it, the way she loves it. The beauty of a woman is not in her past, but in her future. The beauty of a woman is not in her present, but in her heart. The beauty of a woman is not in her mind, but in her spirit.
