STYLE

MUGDHA

Beautiful it's not about looks,
because as the years go by I will
continue to change, and age.
It's about what's inside, the fact
that I'm caring and loving and
I always put others first.
I never give up.
I love to listen to people,
I love to help people.
I'm generous, not just
I am a great friend.
True beauty is born within.

style is a way to say

who you are
WITHOUT MUCH TO SPEAK.

"She's standing out now,
just not in style.
In the culture of love and
kindness it's ironic the
governmental policy
of femininity."
