Style is not something applied. It is something that permeates. It is of the nature of *ear*, to which it is found, whether the poem, the manner of a god, the bearing of a man. It is not a dress.

*elegance with attitude*

Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag.  
It's something reflected from our soul to the outside world—an emotion.
