STYLE *Hearty*

Fashion is about something that comes from within you. Fashion is what you buy. Style is what you do with it.

STYLE *Statement*

Style is not something applied.
It is something that permeates.
It is of the nature of that in which it is found,
whether the poem, the manner of a god,
the bearing of a man. It is not a dress.

Clothing is a form of self-expression
there are hints about
who you are in what you wear.

STYLE
Knockout

720

I stay true to myself and my style,
and I am always pushing myself to be aware
of that and be original.

725 What you wear is how you present yourself to the world,
especially today, when human contacts are so quick,
fashion in instant language.

STYLE *Artistic*

You don't learn style from watching people on a runway.
Fashion happens every morning when you wake up.

Forever

721 Fashion as the most powerful art there is.
It's moment, design, and architecture all in one.
It shows the world who we are and who we'd like to be.

even if you haven't.
