great feeligs in sweet heart.

14003

the fashion hub

"Those without color—say, sarees in all black can go about almost unnoticed. Where the rainbow is conspicuous, their darkness acts as a kind of camouflage."

14008

"We know but few man, a great many coats and breeches."

the good one

We want to look desirable. We want others to want to mate with us. No different than a colorful peacock. When girls dress up for their night out at the club
