PERSONALITY

capture the heart

"Fashion has to reflect who you are, what you feel at the moment, and where you're going."

Attire of Love

*Fashion is not something that exists in dresses only.
Fashion is in the sky, in the street, fashion has to do with ideas,
the way we live, what is happening.*

FABULOUS

at every time

Fashion is about how you place the object on the person. I base most of my fashion sense on what doesn't item. I still appreciate individuality style is much more interesting than fashion really.

CENTER *of attraction*

Beauty is what you makes of yourself not how act, how you dress,
how much makeup you wear, it's how you present yourself
The best part of beauty is the part the mirror can't reflect.

*Stylish &
Elegance...*

*"Don't be into trends. Don't make fashion own you,
but you decide what you are,
what you want to express by the way you dress
and the way you live."*

EXCLUSIVE

Always to be
EXCLUSIVE

Beauty isn't about having pretty face. It's about having a beautiful soul.
True beauty is being confidence & proud of yourself.
No matter how many people may disagree...

STYLE FASHION

STYLE FASHION

table yourself expensive

Personality shines way brighter than beauty. To be beautiful means to be yourself.
You don't need to be accepted by others, you need to accept yourself...

DELICACY
with charisma in you

Beauty fades after time, but personality is forever.
There is a beauty about a woman whose confidence comes from experience;
who knows she can face, pick herself up & move on.

The new ATTITUDE

Beauty is not having the good skin or good face. It about having the purest heart.
True Beauty is not outer appearance, it's located in the heart & soul,
reflected in ones eyes.
