

Sargam®

Nature uses only the longest threads to weave her patterns so that each small piece of her fabric reveals the organization of the whole—complex beauty.

Sargani

Nature was only the loomest  
threads to weave her  
patterns, so that  
each small piece of her  
fabric reveals the  
organization of the  
entire autumn beauty.

Sargam®

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargani®

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

# LEAF

Nature uses only the largest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

### *Sargani*

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam

Nature uses only the loom  
threads to weave the  
patterns of life.  
The hand of the  
fate reveals the  
organization of the  
world.

Sargam®

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam®

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

#5005

**Sargam**

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam

Nature uses only the simplest  
threads to weave her  
patterns, yet she  
achieves all kinds of her  
finest designs. The  
organization of the  
entire natural beauty.

Sargami

Nature was only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.
