IDEALS

I appreciate simplicity, true beauty
that lasts over time,
and a little wit and eclecticism that make life more fun.

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever

CREATION

The beauty of a woman is not in a facial mode
but the true beauty in a woman is reflected in her soul.
It is the caring that she lovingly gives the passion
that she shows. The beauty of a woman grows with
the passing years.

Beauty awakens the soul to act. I don't think of all the misery but of the beauty that still remains. Exuberance is beauty. Beauty is in the heart of the beholder.

The beauty of a woman must be seen from in her eyes,
because that is the doorway to her heart, the place where love resides

People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within...

Since love grows within you,
so beauty grows. For love
is the beauty of the soul.
Inner beauty should be
the most important part
of improving one's self.

Real beauty is to be true to oneself. That's what makes me feel good. The best part of beauty is that which no picture can express....
