Romance

Romance is the glamour which turns the dust of everyday life into a golden haze.

Perfect

*Being my life, I'm too far from perfect and carrying each other's weight and
glances, but I take the quest with the heart and thank her regardless.*

*Excitement is an attitude, it's the expression of a woman's confidence. It's a woman's power to always
display her style, grace and elegance. It's a woman's power to always be the center of attention.*

Glamour

Today, people are more into the glitz and the glamour of everything. We don't even read the inside of records anymore.
