Colours OF EXISTENCE

For this story, we spent
many months of
research, looking for the perfect
story to tell.
We found it in the lives of
people who have lived through
adversity, who have
survived, who have
thrived. We found it in the
stories of people who have
lived through the darkest of
times, who have
lived through the most
difficult of times, who
have lived through the
most difficult of times.

Elegance

Elegance comes from being as beautiful inside
as outside.

A woman with dark hair styled in a bun, wearing large ornate earrings, is posed against a green background with pink floral patterns. She is wearing a beige sleeveless dress with gold sequin detailing on the bodice and a red shawl with a gold floral pattern draped over her left shoulder. The shawl has a decorative fringe of red pom-poms. In the top right corner, there is a small text block with a quote.
